personal sales bonuses

activated package of the recipient of the bonus

% bonus from sales on the second level

0%

1%

2%

3%

4%

5%

get **up to 7%** of the cost of sold packages!

bonuses are credited instantly, at the moment of payment confirmation.

depending on the activated package, you additionally receive **1-5%** bonuses from the 2nd level.

binary bonus

by activating the package, each partner of the company receives a business place in a binary structure.

depending on your package, you may receive a different% of rewards.

S 5% **C** 8% **B** 10%

points are awarded every time there is a turnover in one of the two directions of the binary tree.

different products have different ratios of money to points.

main product ratio 100PV = \$ 100

the cycle closes when **100PV** accumulates in the smaller branch. the bonus is credited at the end of each day.

package	limit per day by binar	monthly limit
S	50 \$	1 500 \$
